Discussion on next steps for formation of a Community Advisory Group for communities in and around the Kalamazoo River Superfund Site.

## Topics for discussion:

- Development of short term community goals and actions steps
- Discussion of long term goals for Community Advisory Group formation.

Attached is a meeting summary provided by Bill Wykhuis from our initial discussion on Friday, March 23.

I look forward to talking with everyone!

Also – If you know another community member who would like to join this discussion, please forward this information.
